## Student

I just love the process of creating something new. A passionate computer science student who wants to seek out solutions to problems. To grab an opportunity and secure a challenging position in a reputable organization where I can be innovation by exercising my interpersonal skills to the fullest for the growth of an organization through my learning, knowledge, and skills.

## ACHIEVEMENTS

### Graphic Design

As graphic designers at GiftKart Nepal, my achievements are continually updated with the latest design trends and techniques, enabling them to deliver cutting-edge designs that resonate with our target audience.

### Workshop on Design Thinking

In the design and thinking workshop, I achieved significant growth in my creative problem-solving skills and design mindset. I successfully applied design thinking methodologies to ideate, prototype, and iterate on solutions, resulting in innovative and user-centric design concepts.

## EXPERIENCE

### Graphic Design

GiftkartNepal / Lotus Tower - Naya Sadak / September, 2022 - November, 2022

At GiftKart Nepal, our graphic designers play a crucial role in visually communicating our brand's story. They are highly skilled in creating captivating designs, logos, and visuals that capture the essence of our products and engage our customers.

## TRAINING/CERTIFICATIONS

### Graphic Designer

BROADWAY INFOSIS / 2022

I have utilized industry-leading graphic design tools like Adobe Photoshop, Illustrator, and InDesign to create captivating logo designs and eye-catching banners. This highlights my ability to leverage the power of Adobe software to create stunning visual assets that effectively communicate messages and enhance brand identities.

### Design & Thinking

ISMT College / 2022

During a design and thinking workshop, I successfully utilized Figma tools to create a captivating logo, showcasing my proficiency in graphic design.
